MAY 2023 BARCODE STICKERS:

How to label your freight

IMPORTANT CHANGES:

- Only use **ONE** barcode per handling unit.
- Use stickers in order – do not skip a label.
- Throw out the rest of the stickers if you ship less than eight handling units.

Start here →

EASY AS 1-2-3:

1. Start a **new, unused barcode sheet** in your sticker book for **each shipment**.
2. Peel stickers in order and apply **ONLY ONE** label to the face of each handling unit, centered.
3. Place the small, white barcodes on your BOL paperwork.

ARE YOUR STICKERS UP TO DATE?

Three letters

11 digits

The last three digits range from 001-008
